Lutherans Plan Big Improvements On Church Property At Meeting

One of the most encouraging con-
gregational meetings held in a num-
ber of years by the St. Paul's Lutheran
church was that of last evening.
When the reports of the different de-
partments of work had been given in,
it showed the contributions larger
than in former years, that all obli-
gations had been met, and a neat bal-
ance in the treasury. The latter fea-
ture has not occurred for 27 years
past.
In point of attendance at the meet-
ing last evening, it was reported to
be larger than usual, and much inter-
est taken in the deliberations. Follow-
ing the business session the congre-
gation repaired to the dining room
of the church and a social hour was
enjoyed.
Among the important matters con-
sidered at the meeting was repairs to
be put on the church property. The
congregation voted to make extensive
improvements on the building, work

as men. Every voter should see

troublesome affidavit election day.

SECOND ACCIDENT IS SERIOUS TO THE DERRS

A. S. DERR AND WIFE BADLY IN-
JURED IN AUTO MISHAP
MONDAY P. M.

MACHINE SLIPPED OFF ROAD

Mrs. A. S. Derr of Dixon suffered a
double fracture of her lower jaw, a
severe laceration of one ear, a bad
scalp wound and several bruises on
the body and her husband received a
broken left arm and severe bruises
and cuts when, while attempting to
pass another car their Mitchell auto-
mobile went into the ditch on the Lin-
coln highway four and a half miles
east of town Monday at about 4 p. m.

The accident, the second that has
befallen Mr. and Mrs. Derr this year,
was caused by the car slipping off the
road and overturning, pinning both
occupants beneath it. The car was
badly damaged by the mishap.

ROBBED MONEY-BACK AND ESCAPED POLICE

TIRE SHOP "TOUCHED" FOR ONE
TIRE AND ACCESSORIES
DURING NIGHT.

Two robbers entered the Money
Back Tire Shop on First street Mon-
day night and although apprehended
by the police escaped with about \$40
worth of accessories and one tire.
The men entered the store through a
rear window and were just leaving
when Officer Whetstone appeared. He
covered one with his revolver but
could not get the other, and accord-
ingly hurried his prisoner to Nettie's
garage where he turned him over to
the attendant while he went back af-
ter the other robber.

A touring car entered the garage
and while the attendant was opening
the door for the car the prisoner fled
to the rear and plunged through a
window, gaining the ground by way
of the fire escape. Before the officer
returned to the tire shop the other
robber had also escaped with the
plunder.

ing on information by States Attor-
ney Edwards, and on their pleas of
guilty, were sentenced to 20 and
30 days respectively in the county
jail.

REV. LUMSDEN IS RETURNED

the Rock River Conference this fore-

Baptist Associations to Merge.
Rockford, Ill., Oct. 10.—Merger of
the Rock River Baptist association
with the Dixon Baptist association
was decided upon at a meeting of the
former organization. The name Rock
River association will be retained.

D. A. R. Work Continues

The Daughters of the American
Revolution are leaving no stone un-
turned to make their projected mark-
ing of the old block house an early
established fact, and they wish to re-
mind all the good people who take
pride in Dixon and its history and
its further beautification to continue
their aid. The saving of paper and
rags, though a small matter individ-
ually, may mean much when many
are doing the same thing, and the
Daughters expect to begin their col-
lection again in the spring. So let
everyone save waste paper, old mag-
azines and especially rags, as they
command a very high price at pres-
ent. To have something enduring
for generations, even centuries, and
to have builded it in part of paper
and rags, is something to strive for.

FISH AND CLAMS ARE PUBLIC PROPERTY IS KENTS RULING IN CASE

RENDERS IMPORTANT DECISION
IN ACTION BROUGHT BY
THOMAS PAGE.

DISCHARGED TWO DEFENDANTS

Holds England and Moser Are No
Guilty of Larceny in Taking
Clams From Stream.

On September 25 James England
and Earl Moser were arrested on the
complaint of T. S. Page charging lar-
ceny.

The evidence showed that the de-
fendants were clamming in Rock
river along the shore of the property
owned by Mr. Page and succeeded in
catching several bushels of clams.
The case was continued until Oct. 10,
1916, at 9 o'clock at which time the
defendants were found not guilty by
Police Magistrate W. G. Kent. Mr.
Kent rendered a written opinion in
the matter as follows:

1. The Rock river is clearly a pub-
lic stream as defined in Section 18 of
the act creating the Rivers and Lakes
Commission, approved June 10, 1911,
and as amended June 30, 1913. The
Rock river is also held a United
States navigable stream.

2. The case in question involves a
principle of great importance and
public policy. If the public has not
the right to take clams and mussels
in the river in question, it has not the
right to take fish. If the public has
not the right to take fish in the Rock
river, it has not the right to take fish
in the Illinois or Mississippi rivers.
The Illinois river supports public fish-
eries yielding upwards of \$700,000
per annum.

3. In the case of Schulte vs. War-
ren, 218 Ill. p. 117, the court says:
"Council for the appellants have
also discussed the question whether
the appellant has the right to
fish and hunt on the waters of the
Illinois river within his ownership,
but that question is not involved in
this case in any manner and will
not be discussed. Whether the pres-
criptive rights or usage could or
do have any influence in determin-
ing the right to hunt or fish on the
waters of a river will not be con-
sidered."

It is apparent from the foregoing
that no ruling was made as to the
right to fish in streams similar to the
Illinois river in this case.

4. The fact that the taking of fish
and mussels by the public in the Illi-
nois river and the Rock river has
been going on for twenty years and
more is evidence of the prescriptive
right that such fish and mussels are
public property and the property of
the state and not of the riparian own-
ers. This is intimated in the foregoing
paragraph.

5. In the case of Fuller vs. Shedd,
161 Ill. 62, the court quotes approx-
imately of a number of cases cited by
him. In the case of Beckman vs. Krae-
mer, 43 Ill. 447 is the following:

"The policy of the State in re-
cent years has been to stock its wa-
ters, both streams and lakes, with
fish as a means of living cheap and
valuable food to her citizens, and
with this purpose regular appropri-
ations and expenditures are made.
If we depart from the reasonable
rule we have here, the small, non-
navigable lakes would become pri-
vate waters of riparian owners per-
tinent to their lands with exclusive
rights thereon as to boating, hunt-
ing and the like from which the
body of the people would be ex-
cluded, a principle inconsistent
with and not suited to the condi-
tion of our people or called for as
a rule of law."

6. Fish and game are not private
property as they exist in nature. They

BROOKLYN VICTOR IN THIRD GAME TODAY

DEFEATED RED SOX 4 TO 3 ON
FIRST GAME PLAYED IN
BROOKLYN.

BOTH PITCHERS WERE RECEIVED

(Special to Telegraph)
Brooklyn, Oct. 10.—Before a crowd
which packed Ebbett's field to ca-
pacity the Brooklyn National league
team gamely attacked the Boston
Red Sox' lead of two games in the
world series and won, 4 to 3. The se-
ries now stands 2 to 1 in favor of Bos-
ton and all Brooklyn is confident the
Robins will even it up on their home
grounds tomorrow.

The weather for the third game
was clear and cool, a brisk breeze
sending many spectators to the field
wearing overcoats.

Manager Robinson sent Coombs to
the mound with Miller behind the bat
but Pfeffer relieved the veteran be-
fore the game was over. Carrigan
staked his faith in Mays, but he failed
and Foster took up the burden in
the seventh. The game was decided
by a one run margin, as were the other
two.

TWO DAY DERBY MEET AT AMBOY OCT 18-19

GREATEST EVENT OF KIND IN
THIS SECTION HAS BEEN
PLANNED.

A great two-day Derby meet-
ing with the greatest field of running
horses ever assembled in Northwest-
ern Illinois will be held at the Lee
Co. Fair Assn. track Oct. 18 and 19.
The committee of Amboy boosters
back of the big event secured the
great list of horses as their owners
were ready to take them south for
the winter season and as a result the
meet will be the greatest event ever
held in Lee county. To add to the in-
terest it is planned to have Wednes-
day Democratic day and Thursday
Republican day. Prominent speakers
of each party will be present.

GOLDSMITH NOW REGULAR COP

Was Appointed at Council Meeting
This Morning.

Otto Goldsmith, who has been serv-
ing as relief policeman since the res-
ignation of LeRoy Lightner, was ap-
pointed regularly to the force at this
morning's meeting of the city coun-
cil, that being the only action taken
by the commissioners.

ker of Houston, Ohio, was killed and

ed a crushed shoulder and is in a dan-
gerous condition.

The car hit a bridge and threw the
occupants against the stone abutment.

Teaches Dependent Children

Miss Alta Vail, daughter of Mr.
and Mrs. M. H. Vail of this city,
writes of her interesting work at
Lincoln, Ill., where she is kindergar-
ten instructor for children of the
Lincoln Home. Miss Vail teaches in
a new building, sharing it with
three other teachers. This building
is apart from the institution, though
children of the institution are
taught there, hence Miss Vail comes
into little contact with the unpleas-
antness of institutional life. She
makes her home in the city, entirely
apart from the institution; in fact,
her duties are more that of a public
school teacher. The children in her
kindergarten are divided into three
grades—the first grade consisting of
the mentally alert, who because of
being orphaned or like circumstances,
are placed in the home; and the
other grades are of the weaker
minded, graded second and third ac-
cording to their mentality. Miss Vail
finds the work interesting as even in
the most difficult cases she can find
some means of gaining intellectual
response.

Miss M. M. Winter went to Chi-
cago Monday in the interests of her
millinery shop.

AMBASSADOR GERARD ARRIVED HOME TODAY

(Associated Press)
New York, Oct. 10.—Lack of furth-
er news regarding the U-53 has not
quieted the anxiety in shipping cir-
cles. Some trans-Atlantic liners and
freighters, with cargoes worth mil-
lions, approached port today by
courses far out of their customary
lines.

Gerard Arrived.
The Scandinavian-American liner
Frederick VII, bringing U. S. Amba-
sador Gerard, British steamer Game-
ronia with 671 passengers and the
French liner Espagne arrived. These
vessels did not change their courses
and the Frederick sighted no subma-
rines. Her mails were removed at
Kirkwall.

Gerard is Silent.
Gerard refused to affirm or deny
reports that he was returning on a
peace mission in behalf of Emperor
William. "It is useless to question me
boys, I can not say a word," he told
the reporters. Gerard said there are
3000 Americans in Germany.

MOTHER! DON'T TAKE CHANCES IF CHILD'S TONGUE IS COATED

If cross, feverish, sick, bilious, clean little liver and bowels.

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.

Look at the tongue, mother. If coated, or your child is listless, cross, feverish, breath bad, don't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry because it is perfectly harmless, and in a few hours all this constipation, poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleaning" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

KENTS RULING IN CASE

(Continued from page 1)

are the property of the state. This has been upheld in a number of court decisions. The state specifies as to what season they may or may not be taken. It issues a license or a permit to parties under conditions for taking such fish and game. The state spends large sums in fish hatcheries and in stocking fish in public waters. Such fish are the property of the state for the benefit of the public. Clearly the public cannot be guilty of larceny for taking property of the state (game, fish and mussels) when the state has given said parties a license to take the same.

7. While in the case of rivers the riparian owner holds title to the bed to the center of the stream, said owner has no right to prevent navigation or interfere with the flow of the water or to deposit filling. He has no ex-

clusive right to the water, although he may make reasonable use of the same. Likewise he can have no exclusive right to the constituents in said water.

8. There was no evidence of criminal intent manifested by the circumstances connected with the alleged perpetration of the offense.

Section No. 27 of the Rivers and Lakes Commission says: "At all times this act shall be construed in a liberal manner for the purpose of preserving to the State of Illinois and the People of the State of Illinois, fully and unimpaired * * * the rights which they may have in any of the public waters of the State, and to give them in connection therewith, the fullest possible enjoyment thereof and to prevent to the fullest extent the slightest improper encroachment or invasion upon the rights of the State or any of its citizens with reference thereto."

NO TROUBLE TO KEEP SKIN FREE FROM HAIRS (The Modern Beauty)

There is no need for any woman to countenance superfluous hairs, because with a paste made by mixing some powdered delatone with water it is easy to get rid of them. The paste is applied for 2 to 3 minutes, then rubbed off and the skin washed. This treatment will rid the skin of hair without leaving a blemish, but care should be taken to see that you get real delatone.

IN FIVE MINUTES! NO INDIGESTION, GAS OR SOUR, ACID STOMACH

The moment "Pape's Diapepsin" reaches the stomach all distress goes

"Really does" put bad stomach in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that—just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with blue bile and indigestible waste, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.

A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back.

It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or night. It's the quickest, surest and most harmless stomach regulator in the world.

RELIEVE HEADACHES
WITHOUT DOSING

By Applying Sloan's Liniment to
Forehead You Can Stop
the Severe Pains.

Many headaches are of a neuralgic
origin. The symptoms of such head-
aches is intense and lingering pains
in the brow, temples or back of the
head.

There is one certain relief that has
been known and recommended for
years back, Sloan's Liniment. One ap-
plication and the dull pain is practi-
cally gone. It is easily applied without
rubbing. Rubbing is unnecessary, as
Sloan's Liniment quickly penetrates
to the seat of trouble.

Aching muscles, rheumatism, lum-
bago, bruises, chilblains, sprains and
stiff neck can also be most effectively
treated with Sloan's Liniment. Clear-
er than musky plasters or ointments,
it does not stain the skin or clog the
pores.

At all drug stores, 25c, 50c, \$1.00.

TO HELP WOMEN.

After terrible sufferings, numberless women have used Lydia E. Pinkham's Vegetable Compound and recovered from ailments peculiar to their sex. Many of these, who cannot bear that other women should suffer as they did, without knowing what to do, have written letters telling their experience to be published to the world. These honest, helpful stories are constantly appearing in the newspapers. Read them, ailing women, they are written with no motive but your good.

THIS IS CERTAIN

THE PROOF THAT DIXON READERS CANNOT DENY

What could furnish stronger evidence of the efficiency of any remedy than the test of time? Thousands of people testify that Doan's Kidney Pills have brought lasting results.

Home endorsement should prove undoubtedly the merit of this remedy. Years ago your friends and neighbors testified to the relief they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They say time has completed the test.

C. J. Kirkham, 522 Peoria Ave., Dixon, says: "I suffered from pains across my back for a long time. I didn't think the trouble was caused by disordered kidneys, but when a friend recommended Doan's Pills, got a box at Leake Bros. Drug store. They completely rid me of the backache and all other symptoms of kidney complaint."

OVER THREE YEARS LATER, Mr. Kirkham said: "Doan's Kidney Pills cured me of kidney disease and the cure has been permanent."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Kirkham has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
